# GSIS

- GSIS (Graduate Student Information System) is an online registration system that helps students to register the courses, bears information on the weekly schedule, the grades, and qualifying exam applications for PhD students.

# GSIS – How do I login?

- Usernames and passwords for logging into [gsis.yildiz.edu.tr](http://gsis.yildiz.edu.tr) are delivered to the departments within the week following your registration to our Institute.
- It is important that you do not lose your account details since you will need them until your graduation. However, in case of a loss, you must submit a petition to the IT Office (Bilgi İşlem Merkezi) to ask for a new one.

# GSIS – Left Menu

- Weekly Schedule

# How to Transfer Credits

- If you have taken courses as a special student at YTU or at other academic institutions, you can transfer up to 4 courses.
- Within the three months following your registration, you must submit a petition to your department. In the petition, you should clearly state the courses you want to transfer. Make sure you attach the transcript and the syllabus of the course(s) to the petition.

# Courses

- The course load that you must complete is
  - ❖ 21 credits, a seminar (non-credit) and a thesis course for **master's** degree,
  - ❖ 24 credits, qualifying exam, thesis proposal and thesis course for **doctorate's** degree.
- A **master's** student may select up to three undergraduate courses unless they have taken them during their undergraduate degree.
- In an English program, all the courses must be taken in English.

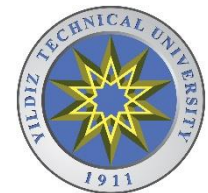

# Advisor Appointment

- You must submit the Thesis Advisor Appointment Form, which is available on the Documents section of our website, to your department.
- The appointment must be done by the end of the second term for master's students and by the end of the third term for PhD students.
- For the students in the preparatory year as well as Turkiye Scholarship students who study Turkish for one year, the advisor appointment process starts after the prep year.
