POSTER DESIGN AND PRESENTATION GUIDELINES

Posters should be prepared according to the template provided on the Graduate School's main website.

Poster Size: Posters should be designed vertically with dimensions of 70 cm (width) x 100 cm (height). The text, tables, and figures should be designed to be easily readable from a distance of 2 meters.

Language: Posters should be prepared in Turkish or English.

Text Subheadings: Posters should include subheadings such as *Title*, *Abstract*, *Keywords*, *Introduction*, *Materials and Methods*, *Results and Discussion*, *References*, etc., written in bold.

Posters should be hung on numbered panels starting from 10:00 a.m. on June 4, 2024. Throughout the specified period in the program, poster presenters should be present in front of their posters to provide information to participants about their work. At the end of the designated time, posters should be removed by the presenters.
