<b>EVALUATION COMMISSION</b> <b>ARTICLE 4 – a) Candidate Evaluation Committee:</b> It is a commission which is assembled before each academic term in order to do the entrance exams of graduate school candidates and to determine the scientific order of the candidates, taking into consideration of the department by the Institute Administration Board; which consists of at least five permanent and two substitute lecturers among the lecturers of the department, if not of a closely related department for each department or program and/or of preceptors who owns a doctoral or qualification of art. <b>EVALUATION</b> <b>ARTICLE 7 – (1)</b> The overall pass mark of all candidates who apply for the master's and doctoral degree programs is evaluated by the candidate evaluation committee calculating 50% of ALES score, 25% of Bachelor's and/or Master's degree GPA, and 25% of the entrance exam.  (2) The overall pass mark of the non-thesis programs is calculated with the 80% of ALES and 20% of Bachelor's GPA.  (3) All department board members are accepted to the entrance exam on condition of not asking any questions. Only the candidate evaluation committee is in charge of asking questions and grading the entrance exam. During the decision process, listeners who are not part of the candidate evaluation committee leave the room.  (4) The overall pass mark for the programs of qualification of arts is calculated Sanatta yeterlik programlarında genel başarı notu ALES puanının %50'si, lisans ve/veya yüksek lisans genel ortalamasının %25'i ve giriş sınavı sonucunun %25'i dikkate alınarak hesaplanır.  <b>*The requirements from the candidates of the Architectural Design in the Architecture Department for the master's written exam and interview are as follows:</b>  <b>1. PORTFOLIO consisting of school projects in the undergraduate level and professional works</b> <b>2. Drawing materials and sketch paper for the written exam.(50X70 )</b> <b>(Reference letter is not required.)</b>
